RE: EXHIBITING AT 2019-2020 NEW ENGLAND OPHTHALMOLOGICAL SOCIETY MEETINGS

Dear Supporters:

On behalf of the 700 members of the New England Ophthalmological Society, and approximately 300 attendees of our New England Ophthalmic Medical Personnel (OMP) meeting, I would like to take this opportunity to thank you for supporting our Society in the past, and invite you to join us again for the upcoming year.

History and Statistics of NEOS Meetings

The New England Ophthalmological Society is the oldest ophthalmological society in the Western Hemisphere: our meeting in September will be our 776st meeting. The average attendance for meetings of the past five years has been approximately 300 per meeting. Attendance at our combined meeting with ophthalmic medical personnel at the Hynes Convention Center last year on September 28, 2018 was 625.

New England Ophthalmic Medical Personnel Meetings

The NEOS sponsors an annual meeting for ophthalmic medical personnel. These meetings are held in conjunction with our scientific session. Our meeting has the second highest attendance after the Academy meeting for OMPs. The program containing outlines of each presentation will include a listing of exhibitors and one sentence advertisement of their product.

Meeting for Ophthalmologists' Office Managers and Support Personnel

NEOS conducts a concurrent meeting for ophthalmologists' office managers and personnel annually. The goal of the meeting is to familiarize support personnel in our member's practices with administrative, business and technology issues important to the conduct of an ethical and efficient practice.

Subspecialty Meetings

One half-day meeting for subspecialists or members especially interested in cornea, retina, glaucoma, neuro-ophthalmology and pediatrics are scheduled annually. These meeting stress an interactive format between the attendees and speakers on clinically oriented topics and problems or controversies in management.

Resident and Fellows

NEOS holds an annual resident and fellow poster contest with prizes awarded at \$500, \$300, \$200 and three \$50 honorable mentions at the last meeting in June each year.
